EDUCATION

The University of Chicago **Chicago, IL**

Bachelor of Arts in Business Economics, Minor in Ukrainian *October 2025 – June 2029*

- GPA: 3.50/4.00

PROFESSIONAL EXPERIENCE

Sphera Solutions (a Blackstone portfolio company) **Chicago, IL**

Corporate Strategy Intern *May 2025 – Aug. 2025 & June 2026 – Sept. 2026*

- **M&A & Competitive Strategy | GRC Software Space**
  - Evaluated 20+ M&A transactions and potential acquisition/merger targets, compiling ROIC, debt-to-equity, and EBITDA multiples to build valuation models and company profiles for the VP of Corporate Development
  - Conducted competitive intelligence and P&L analysis on SEC filings and annual reports of key GRC rivals, identifying market positioning gaps
  - Built Excel financial models and PowerPoint presentations to support due diligence and leadership decision-making
- **Cross-Sell & Go-to-Market Strategy**
  - Identified cross-sell opportunities for software and consulting services across current and prospective customers to expand revenue per account
  - Partnered with the strategy team to translate findings into recommendations for go-to-market positioning

PROJECTS & ACTIVITIES

Livethics **Chicago, IL**

Co-Founder *September 2019 – Present*

- Co-founded a digital mentorship organization addressing gaps in career preparation, equipping students with ethical leadership frameworks
- Secured 30+ interviews with C-suite executives and industry leaders, delivering actionable content to 250+ students
- Orchestrated content strategy and production, transforming executive interviews into articles, video series, and social campaigns

Foundry: Multi-Agent Software Factory **Chicago, IL**

Creator *October 2026*

- Built an eight-agent AI pipeline (researcher, story writer, PM, backend, frontend, E2E, validator, release) that turns a request into a draft pull request for a sample app, checked by other agents, its real unit tests and a real browser test (no human review)

Trott Emerging Business Leaders Program **Chicago, IL**

Participant *September 2025 – June 2026*

- Selected for this competitive one-year program preparing first-years for careers in business

BCG Case Competition **Chicago, IL**

Team Leader *March 2026*

- Led a team in the BCG Case Competition at UChicago, developing strategic recommendations through structured problem-solving and data analysis
- Presented actionable solutions to BCG consultants, synthesizing market research and financial insights into a cohesive framework
- Coordinated team workflows and delegated research tasks to ensure coverage of market sizing, competitive landscape, and client pain points

UChicago Immersion Week: Consulting **Chicago, IL**

Participant *September 2026*

- Selected for a competitive consulting recruiting intensive; visited EYP, Accenture, PwC, and LEK for case workshops, networking, and seminars led by practicing consultants to build recruiting-ready case and problem-solving skills
